

IN THE ABSTRACT OF THE DISCLOSURE

Please substitute the Abstract of the Disclosure, which is a part of the accompanying "Substitute Specification" and provided on a separate sheet thereof, as required by 37 C.F.R. §1.72, for the Abstract of record.

Both a "clean copy" and a "marked-up" copy of the Substitute Specification is enclosed with the "marked-up" copy showing the amendments being entered to the Abstract presented with Applicants' prior Amendment, filed September 20, 2004.

The Abstract, as now being amended, is intended to more closely recite the present invention, as now recited in pending independent Claim 35, which is being currently amended.
